GENERAL INDEX TO VOLUME XX.

GENERAL INDEX TO SUBJECTS.

A "bee-story" 60
Abnormal swarming 284
About bumble-bees 748
Absconding swarm 636, 825
Absolutely no surplus honey 555
Accidentally disabled 491
Adulteration 229
Adulterated honey 604, 812
Aduleration a curse 468
Adulteration of beeswax 103
After-swarms—prevention of 156, 458, 522, 555, 581, 714
Aged queens 283
All is lovely with my bees 315
Almost discouraged 363
An amateur's report 11
An analogous case 134
An average season 571, 668
Ancient bee-lore 27
An editor's experience with bees 380
Another bee-paper gone 452
Another falsehood exposed 435
Another severe attack 99
Anticipating a lively time 332
Anti-monopoly 243
Ants in the apiary 490
Ant's wings 154
Apiarian display at New Orleans 652, 730
Apiaries near highways 396
Apiarist or apiator? 444
Apiary register 90
Apicultural outlook 756, 790
Apis-Americana 425
Are bees an injury to fruit? 515
Are bees property? 236
Are bees taxable in Illinois? 347
Are bees taxable in Michigan? 154, 200
Are separators necessary? 117
Are 6 frames enough in summer? 25
Artificial comb honey 280
Artificial queens 107
Assorting and grading the honey 308
At what age do bees gather honey? 169
Authorship of the pollen theory 524
Automatic honey-extractor 214

Backward spring 251
Bark-louse honey injurious 459
Basswood abundant, but no honey 490
Basswood a complete failure 491
Bee-business overdone 332
Bee-culture in Texas 522
Bee-diarrhœa 44, 92, 154, 231, 310, 312, 324, 408, 504, 651
Bee-diarrhœa—prevention of 374
Bee-feeders 203, 250, 749
Bee-feeding in the spring 330
Beginning with frame hives 44
Bee-hive swindlers 596
Bee-hive ventilation 810
Bee-house burned 292
Bee-houses 553
Bee-idyl 5
Bee Journal for 1885 563
Bee-keepers' excursion 250
Bee-keepers' meeting 621
Bee-keepers' union wanted 309
Bee-keeping for women 374
Bee-keeping for profit 440
BEE-KEEPING—
in Alabama 764
Arkansas 188
California 266
Canada 195, 732
Cuba 246, 484, 586, 713
Eastern Ohio 347
England 355, 564
Florida 331
France 5
Georgia 139, 187, 343
India 516, 805
Indian Territory 218
Louisiana 779
Maine 505, 792
Missouri 266
Nebraska 267, 331, 618
New York 443
New Zealand 243
Russia 579
Scotland 571
Southern Michigan 250
Texas 90, 363, 426, 795
Utah 235, 683
Wyoming Territory 26, 825
Bee-keeping in 1884 821
Bee-keeping in the city 604
Bee-keeping in the mountains 507
Bee-keepers' picnic 520, 537, 548
Below vs. above, for section honey 137
Bee-notes from Utah 380
Bee pasturage 123, 552
Bees acting strangely 780
Bees alive and well 60
Bees along the Pacific Coast 347
Bees all right 171, 187, 217
Bees and flower colors 773
Bees and flower petals 695
Bees and flowers 391
Bees and honey at Fairs 372
Bees and honey at the London Health Exhibition 485
Bees and peaches 300
Bees are blooming 292, 379
Bees are busy 411
Bees are swarming .....
Bees as comb builders .....
Bees as property 279
Bees attending a wedding 251
Bees at the Iowa State Fair 621
Bees at the Virginia State Fair 607
Bees banked up with snow 44
Bees building up fast 363
Bees buried in a "clamp" 59
Bees buried under the snow 43, 76, 108, 124
Bees carrying in pollen 106
Bees confined 102 days 153
Bees confined 161 days 315
Bees confined 149 days 267
Bees did not suffer by the cold 108
Bees did well on basswood 556
Bees doing nicely 90, 444
Bees doing well 154, 188
Bees dying fast 749
Bees eating grapes 183
Bees fed on sugar syrup 108
Bees flying 90, 137, 139, 779
Bees gathering honey 172, 315, 475, 627
Bees gathering honey-dew 491
Bees gathering pollen 250
Bees gathering the nectar 363
Bees getting a little restless 139
Bees have done swarming 507
Bees have received a backset 379
Bees in a vault 140
Bees in excellent condition 139, 203
Bees in fall and winter 699
Bees in fine condition. 106, 283, 684
Bees in good condition 139
Bees in Northwestern Nebraska 555
Bees in September 548
Bees in the mails 579
Bees moved in winter 26
Bees never wintered better 108
Bees not busy 491
Bees not storing in sections 458
Bees not working 523, 685
Bees on the Nebraska prairie 554
Bees on the summer stands 76
Bees "on the wing" again 107
Bee-space 154
Bee-space above brood-frames, etc 260
Bees packed in chaff 153
Bees packed in leaves 60
Bees packed on the summer stands 26, 44
Bees prospering 123
Bees quiet and in good condition 26
Bees ready for winter 731, 779
Bees robbing 156
Bees separated all right 292
Bees suffering by fire and flood 163
Bees starving in June 315
Bees still confined to the hives 187
Bees storing and breeding 332
Bees storning honey rapidly 347
Bee-sting poison 747
Bee-stings, camphor, etc 714
Bee-stings 41, 124, 508, 579
Bee-sting remedy 172
Bee-surgery, a bit of 150
Best frame for all purposes 763
Best hive for comb honey 11
Best honey-flow for 26 years 604
Best honey season for 6 years 571
Best season for several years 621
Best strain of bees 299
Bees uneasy 172, 811
Bees uncapping honey 490
Bees swarming 315
Bees wasting wax 247
Beeswax 74, 84, 135, 443, 452
Bees winter as well as sheep 90
Bees wintered on summer stands 172, 218
Bees wintering fairly 203
Bees wintered well 332
Bees wintering well 90, 123
Bees with diseased feet 491
Bees working on clover 426
Better than the average 218
Black bees as honey-gatherers 11
Blackberry jelly made with honey 459
Bloom without nectar 390
Boards in front of entrances 812
Botanical 347, 554
Buckwheat for honey 55
Building up a home trade 187
Building up colonies in the spring 407
Build up your home markets 770
But few swarms 444
But little basswood honey 459
But little honey 507
Button-bush honey 12, 37, 107
Breeding and selling queens 504
Brief sermon on cranks 517
Brood-cells 636
Brown bees vs. Italians 280

California honey at the World's Fair 506
Call things by their right names 73, 230, 404, 595
Canadian honey crop for 1884 745
Can bees be bred to fixed types? 773
Candied honey in kegs 443
Cane sugar for winter stores 298
Can fertilization and swarming be controlled? 55
Capturing queens 262
Carbolic acid for quieting bees 427, 459
Carbonic acid gas question 756
Careful breeding of bees 601
Care of bees on Sunday 101
Carniolan apiary 139
Carrying out young bees 364
Cause and cure of foul brood 231
Cause and prevention of dysentery 165
Cause of bee-diarrhœa 10, 43, 280, 249, 261, 454
Cause of dysentery 219, 245
Cause of moisture in hives 8, 37
Causes of loss in winter 793
Caution to beginners 195
Cellar ventilation 653
Cellar wintering preferred 44
Charge of adulteration 788
Chickens and bees 412
Circular saws for hive-making 72
Cleansing wax 427
Clipping the queen's wing 264
Clipping queens' wings 261, 150, 344, 393
Clover harvest 466
Cold in Alabama 75
Cold in Nebraska 43
Cold in New York 26
"Cold snap" in Kentucky 59
Cold spring 292
Cold, wet season 12
Collecting honey-plants 437
"Colony" or "nation" 460
Comb foundation .. 76, 91, 104, 264, 299, 409, 411, 486, 507, 521, 764
Comb foundation in the brood-nest 276, 745
Comb honey or extracted? 490
Comb honey-rack 440
Comb honey reported as being made without the aid of bees 87
Comb honey without separators 451
Comments on different subjects 503, 635
Considerateness of bees 379
Continuous passage-ways 761, 775, 789
Controlling a field 308
Controlling increase 619, 661
Controlling the queens 103
Convention Hand Book 321
Conundrums 38
Correct nomenclature 362
Correct use of apicultural terms 9
Counterfeit comb honey 211
Creating a market for honey 166
Critic criticised 43
Crop almost a total failure 621
Crop all that could be desired 540
Cuba flora and honey-production 421
Cultivate the home market 121
Cure for bee-stings 716
Cure for foul brood 388
Cure for gravel 259
Curious freak of bees 170
Cyprian and Holy Land bees 182
Cyprian and hybrid bees 23
Cyprians, Syrians, etc 203, 451

CONVENTIONS—
Bay of Quinte, Ont 215
Cedar Valley, Iowa 151
Central Illinois 471
Colorado 665
County, Ind 584
Champlain Valley, Vt 71
Davenport, Ia. 67, 147, 184, 227
Des Moines Co., Iowa .. 58, 325
Eastern New York 84
Elgin, Ont 88
Franklin, Ind 277
Haldimand, Ont . 137, 391, 662
Hendricks and Boone Counties, Ind 454
Indiana 135
Iowa 602, 618
Iowa Central 359
Jefferson Co., Nebr 214
Kentucky 851
Keystone 343
Lake Shore, N. Y. 551, 632, 731
Lucas Co., Iowa 57
Mahoning Valley, O 311
Maine 73
Marshall Co., Iowa 202, 424, 538, 744
Middlesex, Ont 182
Nebraska 53, 59
New Jersey and Eastern 757
New York 83
Norfolk, Ont 442
North American ..83, 123, 147, 669, 674, 706, 708, 722, 725
N. E. Kansas 117
N. E. Kentucky .. 261, 550, 664
N. E. Michigan 281
N. E. Ohio and N. W. Pa 150
N. Ind. and S. Mich .. 552, 728
Northern Michigan 776
Northern Ohio 342
Northwestern of Chicago 676, 732
N. W. Ills., and S. W. Wis. 567
Northwestern Indiana 603
Northwestern Ohio ... 345, 602
Ohio 100
Ontario, Canada 455, 634
Progressive of Illinois 777
Randolph, N. Y 331
S. E. Michigan 200
Seneca Co., Ohio 314
Somerset Co., Maine. 375, 615
S. Wisconsin 183, 326, 650, 730
St. Joseph Co., Ind 652
Texas 472
Tiffin, O 199
Toronto, Can 51
Tuscarawas Co., O 361, 824
Tuscola Co., Mich 212
Union of Western Iowa 25, 233
Utah 324, 693
Virginia 669
Wabash Co., Ind 299, 695
Western Maine 823
Western Michigan 299, 792
Western Missouri 326, 696
Western N. Y. and N. Pa .. 617
Will Co., Ills 394, 614
Woodstock, Ont 313

Damaging floods in Texas 395
Dandelions and white clover 347
Dark picture 634
Death of a bee keeper by lightning 459
Death notices 627, 628
Dearth of honey in Cuba 292
Delightful weather for bees 621
Deep cells in foundation ... 355, 444
Deep or shallow frames 423
Denies the soft impeachment .. 778
Depressed industry 728
Description of my hive 313
Desiring progress 540
Diarrhœa alias dysentery 341
Did the sugar kill the bees? 11
Diphtheria—death—hygiene. 23, 60
Direct introduction of queens 456, 588
Disabled queens 348
Disagreeable weather for bees. 509
Diseased bees 58, 155, 555, 603

Discouraged but determined... 523
Distilling insect..... 727
Do bee-keepers' conventions pay?..... 422
Do bees hibernate?..... 779
Do bees make honey or gather it?..... 582
Do bees thin out foundation?.. 122
Docility of the Cyprians and Syrians..... 403
Docility of Syrian bees..... 409
Does bee-keeping pay?.... 245, 685
Does honey agree with everybody..... 699
Does it pay to use comb foundation?..... 680, 683
Double-walled hives..... 154, 171
Do workers govern the colony? 116
Drones flying..... 138, 250
Drones from worker eggs..... 134, 171, 248
Dry sugar for bees..... 292
Duty on Cuban honey..... 825
Dysentery..... 89
Dysentery without pollen..... 40

Early bee-plant..... 227
Eastern bees..... 376
Economizing wax..... 155
Educate the customers 154, 188, 204
Elements of success..... 801

ENEMIES OF BEES—
Ants..... 568
Bee-killer..... 603
Bee-moth..... 376, 568

Enemy to borage..... 520
End of Vol. XX..... 819
Enjoying a good honey-flow.... 555
Entrance to sections over frames..... 187
Errata..... 139, 427
Erroneous conclusions..... 165
Essays at conventions..... 73
Essentials in comb honey-racks 39
Essentials in queens..... 300
Essentials of the coming steam engine..... 9
Establishing apiaries..... 396
Excellent honey crop..... 426
Excentricities of queen-breeding..... 443
Excessive swarming..... 170
Experience in wintering..... 88
Experience with cellar wintering..... 41, 107
Experience with foul brood.... 685
Experience with sweet clover.. 554
Experience with Syrian bees... 43
Experiments with bees..... 228
Experiments in wintering..... 217
Expose hives to morning sun... 420
Extermination of foul brood.. 378
Extracted honey..... 76, 746
Extracted or comb honey—which?..... 618
Extracted vs. comb honey..... 564
Extra prolific queens..... 117
Extremely cold..... 59, 75

Facts about bees..... 378
Facts in regard to wintering 261, 472
Facts regarding sweet clover.. 345
Fall honey..... 552
Familiar talk about bees..... 794
Fastening foundation..... 395, 426, 436, 459, 491
Fears spring dwindling..... 140
Feeding bees..... 74, 75, 169, 204, 217, 234, 358, 684, 691, 729
Fermented honey..... 603
Fertilization of flowers..... 389
Fertile workers..... 294, 664
Few swarms and but little honey..... 460
Filling and capping of honey-cells..... 696
First queen mailed from Jerusalem..... 809
First swarm of the season..... 217
Fixed frames..... 22, 280, 378
Floating apiary..... 154
Foul brood....186, 355, 572, 644' 733
Foul brood and the Nebr. convention..... 291
Foul brood in the mails..... 167
Foul brood—Michigan law..... 134
Foundation freshened..... 153
Foundation in wired frames... 278
Foundation, winter flights, etc. 42
Foundation with deep cells.... 426
Foundation with high side walls 172
Foundation with natural cells.. 60
Four per cent. of loss in winter..... 204
From Florida to Toronto, Can. 597
From Tennessee..... 217
From the Cottonwood Apiary.. 106
From the Buckhorn apiary. 59, 812
Frost..... 379
Frost proof houses..... 74
Fruit bloom is backward..... 267
Fruit in bloom, but no nectar.. 315

Gathering pollen..... 235
German bees..... 120
Getting bees to work in sections 458
Getting sections completely filled..... 716, 748, 825
Getting statistics..... 118
Getting straight combs..... 25
Given foundation..... 172
Giving away honey at the Fair. 108
Glassing honey in sections..... 27
Gloomy prospects..... 507
Glucose..... 99
Glucose fraud, again..... 52
Glucose in honey..... 75
Good..... 459
Good beginning..... 171, 217
Good enough..... 492
Good fall honey crop expected 554
Good honey-flow..... 523
Good honey season..... 523
Good honey yield..... 444
Good increase..... 123, 315
Good investment..... 523
Good prospects for fall honey. 459
Good results..... 347, 395
Good work..... 395, 507
Good yield and large increase. 700
Good yield of beeswax..... 764
Golden hive sharpers..... 604
Grading, crating, and shipping honey..... 499
Granulating of honey..... 105
Great loss..... 395

Hail..... 390
Half a crop of honey..... 588
Half-pound sections...151, 248, 362
Handling bees..... 387, 731
Hard on bees..... 204
Harmless adulteration..... 19
Heavy bloom..... 411
Heavy losses of bees..... 315
Heddon's report..... 471
Heddon's section-case..... 27
Hibernation of bees 438, 439, 518, 549, 550, 599, 665, 694, 715, 789, 806
Hill's method of wintering bees 58
Hints to bee-keepers..... 552
Hives, frames and bees..... 218
Hives I like and use..... 118
Hives in use in the West..... 11
Hives packed in sawdust..... 812
Hiving bees.. 437, 487, 492, 534, 570
Holy Land bees..... 586
Home-made honey extractor.. 807
Home market for honey..... 43, 59, 89, 152, 217, 691

HONEY AND BEE SHOWS—
Canada..... 675
Franklin Co., Ills..... 739
Indiana..... 627
Kentucky..... 611
Lennox, Ont..... 691
London, Ont..... 375, 588, 651
Louisville, Ky..... 666
Maine..... 675
Marshall Co., Iowa..... 621
Michigan..... 662

How far will bees fly?..... 118
How many colonies?..... 778
How my bees are doing..... 232
How the Queen was captured.. 486
How to begin bee-keeping..... 297
How to clean barrels for honey 442
How to feed sugar syrup to bees..... 729
How to get rid of ants..... 491
How to grow fine celery..... 387
How to make bee-gloves, etc.. 168
How to make honey-boards.... 475
How to settle the pollen theory 202
How to separate swarms..... 380
How to ship extracted honey.. 617
How to test thermometers 108, 139
How to ventilate cellars..... 587
How to wear a bee-veil..... 91
How to winter bees..... 540, 587
Hunting adulteration. 475, 492, 724
Hunting of bee-trees..... 807
Hybrids better than Italians... 492

Iced entrances..... 204
Immense honey-crop in California..... 540
Important point in wintering.. 182
Improved bees..... 299
Improved foundation fastener 236
Improved Heddon case..... 133, 153, 244
Improved section-case..... 265, 309
Increase..... 427
Increase by divison..... 394, 459
Increased experience..... 411
Indications for honey harvest. 379
Intelligence in bees..... 68
International Convention. 611, 810
Introducing queens..... 310, 348, 407, 490, 521, 566, 571, 580, 763
Iowa wild honey..... 712
Irascible Cyprian bees..... 106
Is Alsike clover a field-plant?.. 108
Is bee-culture profitable?..... 73
Is comb foundation valuable?. 44
Is dampness the cause of bee-diarrhœa?..... 56
Is dodder a destructive honey-plant?..... 795
Is extra prolificness a desirable quality in queens?..... 120
Is honey-dew poisonous?.. 780, 812
Is honey poisonous?..... 567, 613
Is it bee-diarrhœa?..... 601
Is it foul brood?..... 701
Is it honey dew?..... 553
Is it lawful to keep bees?..... 586
Is that queen idiotic?..... 284
Italian and German bees..... 6
Italianized apiary..... 779
Italianizing..... 268, 300
Italian vs. brown bees..... 278
It pays to use foundation..... 636

Jack Frost's work..... 379

Keeping bees on shares 779, 796, 820
Keeping honey..... 568
Keeping moth out of combs.... 210
Killed by a bee-sting..... 636, 681
Killing bees..... 553, 572, 620
Killing drones..... 585

Lady's success with bees..... 724
Large bees—humorous idea.... 372
Large combs to prevent swarms 775
Large crop of basswood honey..... 444, 475, 503, 524, 540, 778
Large increase..... 332
Last number of the BeeJournal 167
Late breeding..... 508
Let the bees swarm..... 551
Let us deal with facts..... 378
